TUITION PAYMENT

Due to teacher contracts and budget planning purposes, enrollment and number of course selections are for a full school year commitment and based on course enrollment requests.

There are no refunds/proration on tuition, except in the case of an out-of-region move, loss of job, death in the immediate family, or special situations requiring administrative approval.

Situations requiring proration will be calculated on a quarterly basis.

Once course enrollment requests have been made, you will be responsible for full year tuition payment. Drop requests for classes will not result in a tuition adjustment.

All tuition payments are required to be paid through FACTS Management Company.

Please click on the link below to establish your FACTS agreement:

<https://online.factsmgt.com/signin/4K839>

After the school schedule is published, you will make your course enrollment requests. The bill will be applied to your FACTS Tuition plan based on 2020-21 tuition rates.

- Lost or damaged book fees vary based on book value.
- Tuition for students enrolled after the first day of school year will be prorated on a quarterly basis, regardless of the number of school days attended.
- A \$15 fee may be assessed for each class change during the schedule change window, unless a class is closed due to low/full enrollment.
- Field trip, Incidental charges, Family Job Buyout and AfterCare fees can added to monthly and semi-annual FACTS agreements. Due to the volume of attendance on field trips, refunds cannot be made on missed field trips.
